Re: Sullivan County DOC Compliance Tour – RSA 30-B:12

Dear Attorney General Formella:

Pursuant to RSA 30-B:12, please allow this letter to serve as the Sullivan County Board of Commissioners' (BOC) written confirmation that they, George Hebert, BOC Chair, and Bennie Nelson, BOC Vice Chair, toured the Sullivan County Department of Corrections (SCDOC) and jail with DOC Supt. David Berry and Facilities & Operations Director Mary Bourque, on Monday, April 18, 2022, at 2:00 p.m. The BOC found the building remains in good condition with no areas of concern. The carpeting in the common areas of the Community Corrections Center is scheduled to be replaced this spring. The floors in the facility are stripped and waxed quarterly and the facility continues to be painted as needed using an overnight offender work crew. Upgrades to the HVAC system are in progress and ADT continues to make progress with security camera upgrades. The Commissioner's identified one area of cracked tiles in a hallway outside of the CCC gym. Facilities is aware and will be addressing this issue.

Please feel free to contact our office if you have any questions.

Best regards,

Sharon Callum
