Dear Mr. Delaney,

In accordance with NH RSA 30-B:12 the Belknap County Commissioners conducted an inspection of the correctional facility on October 30, 2013.

We found no managerial deficiencies or concerns.

The condition of the jail is much the same as our last report. We have replaced the floor covering in the main hallway, which had become a safety issue.

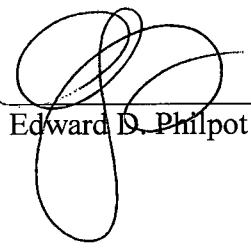

There are no concerns regarding the condition of the inmates, although overcrowding continues to be an issue. We have had to board many of our inmates out at other county facilities.

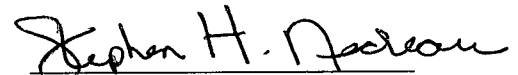

It is our intention to continue planning for a new facility and we are currently considering temporary housing alternatives.

We will continue to repair & clean as warranted and as funding allows.

Sincerely,  
Belknap County Commissioners:

  
John H. Thomas, Chairman

  
Edward D. Philpot
