Please provide a description of the methods used to solicit community input on community needs (attach additional pages if necessary): Family members of our existing Residents and elders attending activities at the Cashin Senior Center were questioned about the struggles they face at home. Individual conversations were had with Case Managers regarding the needs they are seeing in the community. Rep. Weyler discussed the needs seen by the NH State Representatives. Dr. Consuelo Alvarez spoke regarding issues faced by her patients in the community. The American Diabetic Association website was used to determine actual statistics of the community. Evergreen Place employees spoke to the needs of younger generations in the community.
