**RE: Notification of Security Breach
Client/Matter No. 300964-111**

Dear Attorney General Delaney:

I am writing on behalf of Dialogic Inc. to inform you of a security incident involving a theft of non-portable equipment that may have contained employee and former employee data. This breach may have resulted in the unauthorized access of social security numbers of 9 residents of your state.

On July 17, 2011, a break-in occurred and Dialogic discovered that name and social security number of employees and former employees may have been on non-portable equipment stolen from Dialogic. We have notified law enforcement and are actively working with law enforcement, including the FBI, to investigate this incident. We will inform the credit reporting agencies so that they may take appropriate action.

Enclosed, please find a copy of the notification letter that will be sent to the affected individuals by August 8, 2011. Although we have had no reports of actual misuse or identity theft, out of an abundance of caution, we are offering affected employees and former employees free credit monitoring services from Experian for one-year.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan L. Lyon".

Important Security and Protection Notification.
Please read this entire letter.

Dear [Insert customer name]:

I am writing to let you know of an incident that occurred July 17, 2011, involving the theft of electronic equipment containing Dialogic employee information. Your name and social security number were among the information stored on the stolen equipment.

We are taking several steps to improve our security to help protect Dialogic equipment and information. We have also notified and are continuing to investigate this incident with law enforcement.

We have not received any reports of actual misuse of any information as a result of the theft. Out of an abundance of caution, however, we recommend that you monitor your financial transaction records and credit reports for fraudulent transactions and consider contacting the credit reporting agencies if you wish to put in place a fraud alert or obtain a free copy of your credit report:

Equifax: 1-800-525-6285; www.equifax.com; P.O. Box 740241, Atlanta, GA 30374-0241	Experian: 1-888-EXPERIAN (397-3742); www.experian.com; P.O. Box 9532, Allen, TX 75013	TransUnion: 1-800-680-7289; www.transunion.com; Fraud Victim Assistance Division, P.O. Box 6790, Fullerton, CA 92834-6790

A fraud alert on your credit report does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information may have been compromised and requires them to verify your identity before issuing you credit. As part of this verification process, the business may try to contact you directly. While this may cause some short delay if you are the one applying for the credit, it ensures that someone cannot fraudulently obtain credit in your name.

Because we take the protection of your information very seriously, Dialogic is also offering a complimentary one-year membership of Experian's ProtectMyID™ Alert. This product helps detect possible misuse of your personal information and provides you with services focused on identification and resolution of identity theft.
