New Hampshire Attorney General
Kelly A. Ayotte, Esq.
33 Capitol Street
Concord, NH 03301

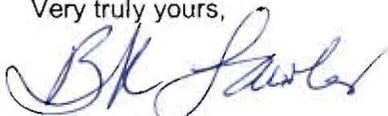

Dear Ms. Ayotte:

In accordance with N.H. Rev. Stat. Ann. §§ 359, we are providing you with written notification regarding the nature and circumstances of a recent data security incident.

We recently became aware of a theft of computers at the Walnut Creek, California offices of one of our external benefit administration vendors. The computers contained personal information of some current and former Intuit Inc. employees and their dependents, including names, addresses and Social Security numbers. At this time, we have no information indicating that the information on the computers has been misused. Approximately 15 New Hampshire residents may be affected by this incident.

Attached for your information is a sample of the notice we plan to send to affected individuals. If you have any questions, please do not hesitate to contact me at 650.944.5136.

Very truly yours,

Barbara Lawler
Chief Privacy Officer

Dear First Name,

I'm writing to inform you of a computer theft that occurred at a company that at one time provided benefits administration services to Intuit. The theft occurred at Colt Express Outsourcing Services in Walnut Creek, Calif. on May 26, 2008. Colt Express notified us of the break-in and reported it to the Walnut Creek Police Department, which assigned report number 08-12367 to this incident.

We regret that this incident may affect you. We understand that the stolen computer contained the personally identifiable information of employees who worked at Intuit between August 1997 and January 2002. In addition, it also contained information on their dependents who were enrolled in Intuit health plans during that time. The personal information includes the names, addresses, Social Security numbers, and birthdates of affected employees and their dependents.

Fortunately, we are not aware of any improper access or misuse of this information. But we take any loss of personal information very seriously and are working to protect you and your dependents' information.

To assist you and help safeguard your personal information, we've hired Kroll Inc. to provide you with access to its ID TheftSmart™ service. This service includes Enhanced Identity Theft Restoration, Continuous Credit Monitoring, and a Trimergerd Credit Report for 12 months, all at no cost to you. ID TheftSmart is a comprehensive program to help protect against identity theft. Please take the time to read more about these safeguards.

To take advantage of the credit monitoring service, you must fill out and return the enclosed credit authorization form to Kroll.

If you have questions about Kroll's services, or believe you may have an identity theft issue, please call ID TheftSmart member services at 1-800-588-9839 between 6 a.m. and 3 p.m. Pacific, Monday through Friday. Also, if you have specific questions for the Intuit Privacy Office, you can reach us at 650-944-2183.

Protecting your privacy is very important to us. Please be assured that we are determining what we can do to keep this from happening in the future. We apologize for any inconvenience this may cause you or your family.

Sincerely,

Barbara Lawler
