Michael Delaney
Office of the Attorney General
Consumer Protection Division
33 Capital Street
Concord, NH 03301

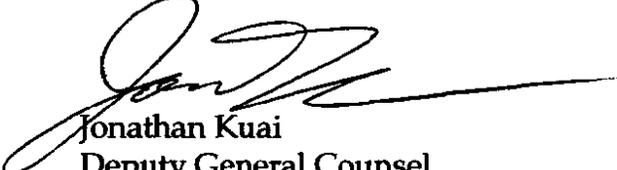

Dear Mr. Delaney:

On October 10, 2012, Korn/Ferry International notified you of a security incident involving residents of your state.

Since that time, we have identified an additional 11 residents of your state whose information may have been involved in the original security incident. As a result, we notified these additional individuals on December 28, 2012. We provided these additional individuals with the same letter and services that we originally provided to consumers whom we earlier notified of this incident.

If you have any questions regarding this matter, please contact me at 310-226-2654.

Sincerely,

Jonathan Kuai
Deputy General Counsel
