Notification Letter of Data Breach

Dear Attorney General's Office:

Pursuant to New Hampshire notification requirements, we are writing to notify you that we have discovered a security breach that may have compromised 2 New Hampshire resident Cardholder Account numbers and Card Transaction information.

We have removed the immediate source of the breach and are continuing our investigation into what happened.

Please feel free to call me at 760.494.9326 if you have any questions about this incident. You will find the de-identified sample consumer notification letter that will be sent later this week included with this notification.

Sincerely,

James Thompson
Director of Digital
