RE: New Hampshire Tobacco Directory's Removal of Products

DATE: September 21, 2016

On September 20, 2016, our office updated the NH Directory of Certified Tobacco Manufacturers and Brands (the "Directory") in accordance with the Manufacturers' 2016 Annual Certifications. Please note that several products were removed from the Directory.

Pursuant to RSA 541-D:3, III(b), a tobacco product that is not included on the Directory may not be sold, offered, or possessed for sale in New Hampshire. We encourage all tobacco wholesalers and retailers to periodically check the Directory to maintain compliance with RSA 541-C and 541-D. The Directory can be found on-line at <http://www.doj.nh.gov/consumer/tobacco/documents/tobacco-directory.pdf>. Also note that a change list accompanies the Directory to indicate which products were removed, added or had a change in name.

Thank you.
