To Whom It May Concern:

In compliance with RSA 30-B:12, Inspection of Correction Facilities, I Carroll County Commissioner Asha Kenney conducted an inspection of the Carroll County House of Corrections/Jail on July 9, 2014. Inspections are done at least every 6 months.

I found that the management and security and cleanliness in good condition and order during my detail jail inspection. With one maintenance exception, I noticed a leak from the roof but it will be fixed.

Any questions or concern regarding this matter can be addressed to Commissioner Kenney.

Respectfully,

Asha Kenney Carroll County Commissioner.
