To Whom It May Concern:

In accordance with RSA 30-B:12, Inspection of Correctional Facilities, please be advised that the Grafton County Board of Commissioners have visited the facility on several occasions since my last report and have toured/inspected the facility last on Tuesday August 27, 2013.

In addition to touring the facility the Commissioners routinely meet with me to discuss facility operations. The Commissioners have a genuine interest regarding inmate and staff related safety, security, programming, and educational issues.
