Dear Ms. Rice:

In accordance with RSA 30-B:12, the Merrimack County Board of Commissioners conducted its semi-annual inspection of the Merrimack County Department of Corrections on October 31, 2013.

While the Board found improvements to the showers progressing, they would like to see stainless steel applied to the back splash in the kitchen. Otherwise, the Board found the conditions to be acceptable.

If there are any questions, please do not hesitate to contact my office at the above number.

Sincerely,

Peter Spaulding  
Chairman
