RE: RSA 30-B:12 – Inspection of Correctional Facilities

Dear Attorney Boffetti:

In compliance with the above statute, on December 27, 2022, Commissioner Pappas had conducted a complete examination of the Hillsborough County Department of Correctional facility. On December 5, 2022, Commissioner Rowe had conducted a complete examination of the Hillsborough County Department of Correctional facility, as well as Commissioner Soucy on 1/12/2023. We have found the condition of the facility, the security of the inmates, and the management to be in order.

The inmates are being cared for pursuant to New Hampshire RSA 30-B:4 IV and are appropriately supervised by trained correctional staff. Based on inmate behavior, inmates are afforded the opportunity to participate in a range of programs.

We plan to conduct more frequent, informal, examinations throughout our term to ensure the facility and its staff continue to meet the professional standards set by the Superintendent.

As of this writing, there are no specific actions that need to be taken.

If you have any questions, please do not hesitate to call.

Sincerely,

Toni H. Pappas
Commissioner, District 3

Robert H. Rowe
Commissioner, District 3

Michael P. Soucy
Commissioner, District 3
