Dear Director:

In compliance with RSA 30-B:12, Inspection of Correction Facilities, we, the Strafford County Commissioners, conduct quarterly inspections of the Strafford County House of Corrections/Jail. Inspections are conducted at a minimum of once a month. The Commissioners conducted the second quarter inspection for 2018 on Thursday, May 17, 2018.

We found the House of Corrections/Jail to be in excellent condition regarding the management and security, as well as in cleanliness during this inspection. The House of Corrections also meets and exceeds all requirements of the Federal government during its annual inspections of the facility, as the County boards Federal inmates.

If you have any questions or concerns regarding this matter, please do not hesitate to contact this office.

Very truly yours,

George Maglaras, Chairman
